Hello, due to my health conditions, Like my High Blood Pressure and obesity, and due to the on going Covid-19 Pandemic. I would like to be considered for Compassionate Release. I am 48 years, with several medical issues, I also served 52% of my projected time, I have zero incident reports, I have low custody with 7 points only. I maintained good work ethics in Psychology and with the Recycle crew. I hope I be granted CR. due to my health issues, considering going into a very rough time of the Pandemic.
